A MEMBER OF THE
OMAHA CATHOLIC SCHOOL
CONSORTIUM

Centrally located in the historic Hanscom Park neighborhood, Our Lady of Lourdes has been providing high quality, Christ-centered academics to students for over 80 years. Our students consistently demonstrate outstanding academic outcomes, a love of learning, strong character, and compassion for others. At Our Lady of Lourdes, we are committed to faith, dedicated to academics, and connected to the community.

Mission

Our mission is to educate each student to become academically proficient, community-minded adults who are active and loyal members of their church and country. We educate from the perspective of the Catholic faith by proclaiming the message of faith, fostering community, encouraging worship and prayer, and motivating our students to serve others.

Omaha Catholic School Consortium

Our Lady of Lourdes School is a member of the Omaha Catholic School Consortium. The Consortium is a collaboration of parishes, schools and parents working together to support Catholic education in southeast Omaha. The Consortium's financial, academic, administrative, and marketing support helps member schools achieve the highest quality academic standards, use of industry leading classroom technology, collaboration between teachers, and financial stability – all to benefit the students we serve.

Foundation of Faith

Faith isn't just a part of our curriculum, it is the reason for our existence and the foundation for everything we do and say. Faith is integrated into all subjects. It is found on playing fields, taught through service trips and realized in daily interactions students have with the caring adults that are present to guide them. Faith is core to our culture, and our staff is committed to growing students' faith by educating them on Catholic teachings and living according to the principles Jesus taught. While we are a Catholic school, we welcome students of all faiths and backgrounds into our school community.

Academic Excellence

A Christ-centered academic curriculum features fine arts, technology, physical education and language programs that challenge students with a student-professional staff ratio of 17 to 1. Our Lady of Lourdes School is accredited by the State of Nebraska and also meets archdiocesan educational standards that exceed state and national requirements. Our students consistently perform in the top 25 percent of the nation for core subjects like math, language arts, reading, social studies and science.

Curriculum

Our Lady of Lourdes School is accredited by the State of Nebraska and uses the Omaha Archdiocesan Standards-based curriculum to drive and focus our instruction. Our academic curriculum includes these core areas: religion, reading, language arts, handwriting, spelling, math, social studies and science. Additionally, we offer Spanish, music, physical education, technology, art and library. All students in fifth – eighth grade discover online Computer-Aided Design (CAD) and 3D printing as part of our science curriculum. Our dedicated staff of teachers has an average of more than 17 years teaching experience, with many holding advanced degrees. Our graduates are not only well prepared for high school, but positioned for future success in life as servant leaders.

Technology in the Classroom

Our Lady of Lourdes is a blended learning community, which means we combine traditional classroom instruction with computer-mediated activities. Technology is used to transform and improve the learning process for our students. Blended learning helps us reach and teach students more effectively using 21st-century technology. It provides our educators with an opportunity to collect data to help customize instruction and assessment of students based on individual needs. Our students have access to Chrome Books, computers, smart boards, and more to help guide the learning process.

Extracurricular Activities

Whether your child is interested in academic clubs, programs to express creativity, or sports, Our Lady of Lourdes has something for every student. We offer a wide variety of extracurricular programs to enhance student learning in math, science, engineering, reading, language arts, religion, art and music. Students can take part in robotics, poetry, art, reading, math, student government, knitting and Bible studies. Our vibrant athletic program includes soccer, basketball, volleyball, baseball and football.

Tuition Assistance

As a member school of the Omaha Catholic School Consortium, we strive to make tuition affordable and make Catholic education available to all children. Tuition assistance and payment plans are available. Contact the school at 402.341.5604 for more information.

Visit Our School

We welcome and invite you to visit Our Lady of Lourdes School. To schedule a tour, learn more about our school, and to enroll, contact principal Megan Fiedler at 402.341.5604.
