JANUARY 2017

VISIONING SESSIONS HELP SHAPE STRATEGIC PLAN

The Omaha Catholic School Consortium held two visioning sessions this past fall to map out the future for Catholic education in southeast Omaha. Session participants, who represented Clergy, educators, Consortium alumni, parents and employees, community stakeholders, and investors provided input through guided visioning exercises. During the session, participants worked to identify and understand the challenges facing the Consortium schools, and defined the organization's priorities and goals. Participant feedback helped develop the framework for a three-year strategic plan supporting the organizational mission of the Consortium.

The event was sponsored by Catholic Health Initiatives and used the Decision Accelerator model of strategic planning. Decision Accelerator is a planning model that engages a large group of stakeholders in addressing complex problems to effectively and efficiently innovate, collaborate, create, plan, make decisions and implement strategies.

The Omaha Catholic School Consortium strives to provide quality Catholic schools for children and families in southeast Omaha. To help achieve this goal, we must sustain our schools financially, embody our tradition of academic excellence and ensure affordable tuition, all while preserving our strong Catholic identity. During the visioning sessions, participants explored broad themes of Catholic education – Catholic identity, sustainable funding, academic excellence, holistic formation and community – to develop six core work streams.

These core works streams – Catholic identity, academic excellence, sustainability, communications, community outreach, and resource management – will become the strategic priorities for the Consortium and its member schools.

An overview of outcomes from both visioning sessions and a recap of the next steps Consortium leadership will take to develop and enact our strategic vision **will be shared with school parents during an upcoming State of the Schools event on March 26**. If you are interested in getting involved with our schools and our strategic planning efforts, please contact Nicole Evans at 402-590-2815 or nlevans@archomaha.org.

COOL NEWS FROM OUR SCHOOLS

ST. BERNADETTE STUDENTS GIVE BACK TO OTHERS

St. Bernadette School students made a difference to families at Christmas by participating in an Angel Tree project with St. Bernadette Parish. Each year, the parish's St. Vincent de Paul Society gathers names of those needing assistance during the holidays from five neighboring schools. Parishioners and school families choose a tag from an angel tree and commit to buying gifts or donating cash. Three gifts are purchased for each child under the age of 16 as well as a family gift.

The St. Bernadette students were responsible for purchasing and wrapping gifts for 18 families (a total of 145 gifts) and collected \$1,200 in cash donations allowing volunteers to purchase an additional 25 gifts and \$50 in grocery gift cards for most of the 18 families. A group of seventh-grade girls helped make angel tags, staple, sort and check off gifts as they came in. Eighth graders sorted gifts and volunteers verified that each child was receiving three items.

Thanks to generous support of school students and parents and St. Bernadette parishioners, 222 children received Christmas gifts of clothing and games or toys and each family received a grocery voucher. A crew of 31 volunteers delivered the bags of goodies to the 54 families.

CONSIDER A GIFT TO THE ANNUAL FUND

Earlier this year, our Consortium schools launched our first-ever Annual Fund – *Together in Christ: Five Schools, One Mission*. The Together in Christ Annual Fund is a collaborative effort to strengthen our Catholic identity, sustain our schools financially, continue our tradition of academic excellence and maintain affordable tuition.

We invite all of our school families to prayerfully consider a gift to the *Together in Christ* Annual Fund. Tuition covers less than half of the cost to educate a child at our schools. The remaining amount is covered by parish support and through development efforts like the Annual Fund.

Gifts can be designated to a specific Consortium school, or to the area of greatest need. To make your gift today, contact the Development Office at 402-590-2815 or click the “Donate” button in the top left corner of our website, www.omahacsc.org, to make a secure online donation. Thank you for your support!
